

At a glance

Mission	The Fund aims to promote business and consumption practices that contribute to biodiversity conservation, to the sustainable use of natural resources, and to mitigate climate change and adapt to its impacts, initially in Latin America and the Caribbean and potentially expanding to Africa.
Mechanism	The Fund channels dedicated financing to local producers via selected local financial institutions. In limited cases (max. 15% of the total portfolio) the Fund will provide direct financing for high-impact businesses and projects. Investment activities may be complemented by the provision of technical assistance (TA) both to the local financial institutions and to their clients.
Geographic Coverage	Initial focus on Latin America and the Caribbean. In all cases: countries that are eligible for official development assistance (ODA).
Focus	Investment activities are focused on sustainable <ul style="list-style-type: none"> • Agriculture and agri-processing • Forestry • Fishery and aquaculture • Tourism
Concept Development	KfW, Conservation International, Finance in Motion
Fund Advisor	Finance in Motion
Launch	December 2014

Products
